## Satisfactory/Unsatisfactory Form

---

This form does not constitute an original registration for a course, and should be completed only for a course for which you are officially registered.

Sophomore, juniors and seniors may take one elective course a semester on a satisfactory/unsatisfactory basis. The “S” grade is the equivalent of a grade “C” or better. The satisfactory/unsatisfactory grade will be shown on the transcript but will not be reflected in the quality-point average. Failures in the satisfactory/unsatisfactory option need not be repeated.

The satisfactory/unsatisfactory (S/U) option may not be used for courses that fulfill core, major, or minor requirements, but individual departments may offer the major seminar on a satisfactory/unsatisfactory basis. The S/U option must be declared by the end of the drop/add period.

Name: \_\_\_\_\_
