

# ORIENTATION

**August 2, 2023**

*Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).*

## **Move-In Information**

The Office for Residence Life welcomes all new members to our residential community, and we hope that campus living enhances your college experience. Please remember to sign up for a move-in time via your unique link, which was sent to your villanova.edu email on Thursday, July 27, from the Office of Residence Life.

Important pieces of information ahead of your arrival are noted below:

- When you arrive at your residence hall, please quickly unload your belongings. You will then be directed to immediately move your car to a campus parking lot. As a reminder, you will not be permitted to remain parked next to your assigned residence hall or return to that area until Friday evening after move-in is complete for all residents.
- After you unload your belongings, check in and pick up your Wildcard at the entrance to your residence hall. Your Wildcard will allow you access to both your residence hall and your room.
- Residence Life and Orientation staff will be available at your hall to assist you and answer questions.
- Please label your bags/items with your name, residence hall and room number.
- Please dispose of your recycling and trash according to the posted signs outside your building.

## **Save the Date: Family Weekend**

Each fall, families are invited to campus for a weekend to spend time with their loved ones, connect with other families, experience the energy on campus and hear about the wonderful things happening at the University. At this time, the Family Weekend schedule is being finalized, but you can begin planning. Events will begin the evening of Friday, Sept. 22 and will conclude around noon on Sunday, Sept. 24 after the Family Weekend Mass celebrated by University President Rev. Peter M. Donohue, OSA, PhD. Some events will require advance ticket purchase; registration for these events will take place later in August. Please visit our [Family Weekend website](#) and [follow us on Instagram](#) for more information.
